reetings and best wishes to everyone participating in the 2020 Jamboree on the Air - Jamboree on the Internet. It's great that we can come together over the airwaves and over the internet, to share so many aspects of Scouting together at this challenging time.

This year is the 63rd annual JOTA and our 24th JOTI and we believe this year, thanks to your participation, will be the largest ever Scouting event in the world. It will be a place where we can share our experiences, listen and learn with fellow Scouts and others from all across the world. Our theme is 'Together' with a focus on nature, our community, in friendship, keeping healthy, and singing out loud!

This year's JOTA-JOTI provides many new ideas which help us add to the main purpose of which is to communicate with each other using amateur radio and the internet. Just as in a real physical Jamboree it will be challenging to do all the incredible activities, so be sure to check out the new interactive map to see the full extent and timings of all that is happening so you can make the very most of this unique experience.

There are no long, dusty walks at this Jamboree and from your own homes or scout meeting places, you'll be able to join in chats, play games, engage with live shows, accept challenges, sing along at campfires as well join the talent shows, and connect and be inspired as you interact with Scouts and Guides as well as other young people from around the world.

Please remember that this event is a great opportunity to show what Scouts do – that you have fun and you make a difference in your local community by being of service to others. We encourage you to invite your friends and others in your network to share in this unique JOTA-JOTI experience.

Please take the opportunity to read the Code of Conduct and do your best to make sure that everyone participating in JOTA-JOTI has a safe and enjoyable event.

We look forward to meeting you virtually during JOTA-JOTI as we share this great event TOGETHER.

GENERAL INFORMATION

What is JOTA-JOTI?

Jamboree On The Air - Jamboree On The Internet, known as JOTA-JOTI, is the world's largest digital Scout event taking place on the Internet and over the airwaves. Held ever year in October, the event connects millions of young people around the world for a full weekend of online activities that promote friendship and global citizenship.

When and where it will be held?

This year JOTA-JOTI 2020 will take place from 16 to 18 October. The dynamic programme features a variety of non-formal education activities, including webinars, global campfires, talent shows, live shows, and much more. World Scouting's global partners are actively involved in the event, offering their expertise and fun activities to engage participants.

JOTA-JOTI events normally take places at thousands of locations around the world organised by local groups. For 2020, however, we are all finding ourselves in exceptional circumstances. This has meant that for 2020 there will be a reduction in the number large JOTA-JOTI events, and an increase in the number of people taking part at home. We recognised this in our event planning - we have a wide range of programme opportunities for young people to take part in JOTA-JOTI at home. This year, more than any other, it is important that we are all able to communicate with each other.

Who can participate?

The JOTA-JOTI programme aims to support Scouts and non-Scouts of all ages to learn about communications technology, the values of global citizenship, and how together we can solve the most pressing challenges facing our planet.

How to take part?

JOTA-JOTI enables young people and volunteers to participate in fun and engaging group activities over the internet and amateur radio focused on developing 21st century skills through Scouting.

Why do we have this event?

The purpose of JOTA-JOTI is to enable and encourage Scouts around the world to communicate with one another by means of amateur radio and the internet, providing a fun and educational Scouting experience and promoting their sense of belonging to a worldwide Scout Movement.

BE SAFE DURING JOTA-JOTI

Keeping young people <u>Safe from Harm</u>¹ online is an important aspect of this event. Through chat moderation, "listening ears", e-learning courses and a number of sessions about how to be safe online, we make sure that all participants have a positive and inclusive JOTA-JOTI experience.

Given COVID-19, participating in JOTA-JOTI 2020 will look quite different from last year. Staying connected is more important than ever, and keeping young people <u>Safe From Harm</u> is always a priority for World Scouting. Together, we are all responsible for creating an environment where everyone can have fun, be safe and be respected.

There are **two options to register** this year: Scout Leaders can **register their groups** or young people can **register individually**. Whichever way you are participating, be prepared for a safe event by reading this page carefully.

FOR ALL PARTICIPANTS:

Get your Be Safe Online! certificate, available in English² & Spanish³)

FOR THOSE PARTICIPATING IN-PERSON WITH A SCOUT GROUP:

- Follow the recommendations of local health authorities and the $\underline{\text{WHO}}^{\underline{4}}$
- Wear a mask & practice physical distancing
- Stay home & tell an adult if you feel unwell, including any COVID-19 symptoms⁵
- Be prepared to adapt your plans and meet online if the situation
- Review the information below on how to be safe online & on the radio

FOR THOSE PARTICIPATING FROM HOME:

- See below for minimum age and supervision requirements
- · Review the information below on how to be safe online
- Participating remotely can sometimes feel a bit lonely or challenging.
 Make sure to connect online with your Scout group or friends so you can still share the experience together. Help keep each other motivated, excited and entertained in these challenging times.

Online Safety

With all of its opportunities and enriching content, using the Internet also comes with many risks, including threats to personal data, wellbeing or safety. Some people can have wrong intentions and we all need to be aware of this and know how to respond. We strongly encourage all participants to take our <u>Be Safe Online</u>⁶ e-learning to learn more about online safety and to be fully prepared for JOTA-JOTI and other online activities.

Amateur Radio Safety

Amateur Radio is used by licensed operators who will supervise young people using their radios. Remember: Radio conversations are not private. Personal contact information should never be shared over the airwaves.

Minimum Age & Adult Supervision

There are no age limits for taking part in JOTA-JOTI.

Participants aged between 13 and 18 should let their parents know they are taking part. If they are taking part in JOTAJOTI at a Scouting event their leaders will help them to stay safe during JOTA-JOTI. If they are taking part at home, then their parents/carers will help them to stay safe online.

Young People under 13 are welcome to take part in JOTA-JOTI at home or, where possible, with their Scouting friends. As with 13 to 18 year olds, their parents/carers or leaders will help them to stay safe during JOTA-JOTI. Those under 13 cannot register for the event themselves, and so should ask a parent/carer to register for them.

Need help? Here's what to do!

- 1. First, tell a trusted adult, such as a parent, guardian or Scout leader, about your concern.
- 2. E-mail safejotajoti@scout.org with your name, the platform the incident happened on, what happened, the name of the account which worries you, and a screenshot of the incident.
- 3. A moderator will answer your email within 30 minutes or less. Our moderators are able to reply in English, French or Spanish.

Safe from Harm Guidelines

Safe From Harm is a priority programme for World Scouting, with actions and procedures designed to help keep all of our members safe. Abuse, harassment and bullying are completely unacceptable within Scouting. That is why having a Safe From Harm procedure is mandatory for all world, regional and national Scout events. This includes mandatory Safe From Harm training for all WOSM staff and volunteers

Throughout JOTA-JOTI, our aim is to protect young people and to provide valuable information to adult leaders, parents and volunteers on our safeguarding approach.

The rules apply to all participants using WOSM's online platforms or those of our <u>Trusted Partners</u> for JOTA-JOTI. If anything goes wrong, upsets or worries a participant when using these online platforms, they should reach out to a trusted adult and/or write to us at <u>safejotajoti@scout.org</u>. As needed, we can help participants follow-up with their National Scout Organization (NSO)'s International Commissioner or Safe From Harm co-ordinator.

We are committed to our responsibility to ensure that each participant's experience of the JOTA-JOTI is as safe as possible as they network and make new friends across the world.

We have dedicated moderators who monitor the JOTI platforms to ensure that all of our users are Safe From Harm online. The moderators work with our Safe from Harm team to follow-up on any concerns raised.

The <u>World Safe From Harm policy</u> is implemented alongside the <u>WOSM</u> <u>Code of Conduct</u> that outlines how members of WOSM are expected to behave with others.

You can learn more about Safe From Harm here.

THE SAFE JOTA-JOTI PLEDGE

As a JOTA-JOTI participant, I will...

- inform and involve an adult in my JOTA-JOTI experience.
- behave like a Scout, following the Promise and Law.*
- report any hurtful or suspicious activity I experience or witness to safejotajoti@scout.org
- be respectful and friendly with those I meet online.
- keep my passwords and personal information private.
- never participate in or promote hurtful speech, including hate, humiliation or judgment of others.
- have fun and meet new Scout friends!
- * For WOSM volunteers, staff and partners, this includes abiding by the WOSM Code of Conduct

BREAKING THE RULES

If any rules from the Safe JOTA-JOTI pledge (above) are broken by any participant, a range of actions may be taken against the offending account(s), such as suspending or deleting the account, or being contacted by the Safe From Harm team for further investigation.

HELP AND SUPPORT

If you require any support or have any questions about JOTA-JOTI, your access, the programme and more, you can get our support through any of the following channels:

The 2020 JOTA-JOTI Trusted Partners are

JOTI RADIO

JOTI Radio is the online radio station for JOTA-JOTI.

During JOTA-JOTI the team from JOTI Radio will be broadcasting online. They will be broadcasting a variety of music and chat. 'Tune in' for your soundtrack for JOTA-JOTI. Many JOTA-JOTI locations listen to JOTI Radio throughout their weekend. You can contact them to request a song ask for a shout out.

Make sure you have speakers at your JOTA-JOTI event so that you can listen to the JOTA-JOTI <soundtrack>.

jotiradio.org

JOTI.TV

JOTI.tv will let you see JOTA-JOTI.

During the JOTA-JOTI weekend thousands of Scouts and Guides around the globe will chat on IRC, speak through radio, and maybe even video-call with each other. But the difficult part is that you can't get a good overview of participating groups. This is where JOTI.tv comes in. JOTI. tv gathers together all the webcams being used for JOTA-JOTI all over the world and build them together in one big mosaic. This will give you a look inside JOTA-JOTI.

Our Trusted Partner also operates the JOTI Cafe and the Digital Campfire

SCOUTLINK

ScoutLink enables you to take part in JOTA-JOTI online

ScoutLink aims to connect Scouts and Guides from all over the world. The four main ScoutLink services are IRC (text chat), TeamSpeak (voice chat), Discourse (forum) and Minecraft. Although the busiest time of the year for ScoutLink is during JOTA-JOTI, they are online every day of the year. You can chat to Scouts and Guides of all ages worldwide, discover new cultures, learn new languages, and make new friends, as well as finding fresh ideas for camps, scout meetings, and your international programme!

As ScoutLink is available all year, there is no reason to wait until the JOTA-JOTI weekend to find out more and become familiar with the ScoutLink.
